HIGHWAYS ACT 1980

THE METROPOLITAN BOROUGH OF STOCKPORT (HAZEL GROVE (A6) TO MANCHESTER AIRPORT A555 CLASSIFIED ROAD) (SIDE ROADS) ORDER 2013

The Metropolitan Borough of Stockport (in its own behalf and acting as agent for Cheshire East Borough Council and Manchester City Council under the provisions of an agreement under Section 8 of the Highways Act 1980) make this Order in exercise of their powers under Sections 8, 14 and 125 of the Highways Act 1980 and all other powers enabling them in that behalf:-

1. (1) The Council are authorised in relation to the classified road at Hazel Grove, Bramhall and Smithy Green, Heald Green in the Metropolitan Borough of Stockport, Poynton-with-Worth and Handforth and Styal in the Borough of Cheshire East and Wythenshawe in the City of Manchester to:
 - (a) improve the lengths of highway named in the Schedules to this Order and shown on the corresponding Site Plan by cross hatching;
 - (b) stop up each length of highway described in the said Schedules and shown on the corresponding Site Plan by thick black and white stripes (zebra hatching);
 - (c) construct a new highway along each route whose centre line is shown on the Site Plans by an unbroken black line surrounded by stipple;
 - (d) stop up each private means of access to premises described in the said Schedules, given a number preceded by the letter S on the corresponding Site Plan and also placed in the said Schedules and shown on the Site Plan by a solid black band; and
 - (e) provide a new means of access to premises at each location shown on the Site Plans by a thin diagonal hatching.
- (2) Where a new highway is to be constructed [wholly or partly] along the same route as a new access [or part of one], that new highway shall be created subject to the private rights over that new access.
- (3) Each new highway is given a reference letter on the Site Plan, which is also placed in the corresponding said Schedule, and will be a road [unless the word ["footpath", "bridleway" or "cycle track with right of way on foot"] appears beneath its reference letter in the said Schedule, in which case it will be a [footpath, bridleway or cycle track with right of way on foot] (as the case may be). Each new access is given a number on the Site Plan, which is also placed in the said Schedule.
- (4) Where a new highway is to be constructed or a new access is to be provided in connection with the stopping up of a length of highway or a private means of access described in the said Schedule, its reference letter or number (as

the case may be) is placed in the said Schedule opposite the description of that length.

- (5) Each Site Plan has the same number as the respective Schedule and shows the works indicated in that Schedule and the route of the classified road in relation to those works.
2. The new highway given the reference letter V on Site Plan 4, with the words “temporary highway”, is a highway to be constructed for temporary purposes, and the Council are authorised to close that temporary highway at the end of seven days from posting a notice at each end of the temporary highway concerned to indicate that it is no longer needed for public use.
3. Each new highway shall be transferred to the Stockport Metropolitan Borough Council, Cheshire East Borough Council or Manchester City Council as necessary and according to its geographical location from the date on which the new highway has been completed and it is open for through traffic.
4. Where immediately before a length of highway is stopped up in pursuance of this Order there is under, in, on, over, along or across that highway any apparatus of statutory undertakers or any telecommunications code system operator then, subject to section 21 of the Highways Act 1980, those undertakers, or that operator, as the case may be, shall have the same rights as respects that apparatus as they had immediately before the stopping up took place.
5. In this Order:
 - (a) distances are measured along the route of the relevant highway [or private means of access to premises, as the case may be];
 - (b) a reference to a Schedule or Site Plan number is a reference to the Schedule or Site Plan, so numbered; and a “Schedule” means a Schedule to this Order;
 - (c) “the classified road” means
 - I. the highway the Council are proposing to construct from a point on the new length of the A6 Buxton Road to be constructed between Yew Tree Lane, Hazel Grove and Norbury Hollow Road, Hazel Grove, extending generally westwards to a point on the A555 Manchester Airport Eastern Link Road 11 metres east of Footpath No. 16, Bramhall;
 - II. The Manchester Airport Eastern Link Road which the Council propose to improve from a point 11 metres east of Footpath No. 16,

Bramhall to a point 356 metres east of the B5338 Wilmslow Road, Handforth and

- III. the highway the Council are proposing to construct from a point on the A555 Manchester Airport Eastern Link Road 356 metres east of the B5338 Wilmslow Road, Handforth extending generally westwards, to a point on Ringway Road, Wythenshawe 200 metres east of the junction of Ringway Road with Ringway Road West

and is a highway and proposed highways which have been classified by the Secretary of State for Transport as a principal road for purposes of the enactments and instruments which refer to highways classified as principal roads."

"the Council"	means Metropolitan Borough Council of Stockport;
"improvement"	in relation to a highway includes raising, lowering or otherwise altering that highway, and "improved" shall be construed accordingly;
"new access"	means a means of access to premises authorised by this Order to be provided;
"new highway"	means a highway authorised by this Order to be constructed and "new highways" shall be construed accordingly;
"the Site Plan"	means the Site Plans contained in the plan folio numbered 1 to 9 marked "The Metropolitan Borough of Stockport (Hazel Grove (A6) to Manchester Airport A555 Classified Road) (Side Roads) Order 2013" sealed with the Common Seal of the Council and deposited at the offices of the Council at The Town Hall, Stockport ; a duplicate has been deposited in the Offices of the Secretary of State for Transport.

“Schedule” means a Schedule to this order, and “Schedules” shall be construed accordingly
